**GUIDELINES FOR ONLINE INTERNAL EXAMINATIONS**

- Because of the occurrence of COVID-19 PANDEMIC, all the offline face-to-face classes of B.Ed. & D.El.Ed. courses have been converted to Interactive Online Classes.
- Frequent LOCKDOWNS have affected all including our learners as well as Master Trainers of the institution in having direct interaction in the college classrooms. However, credit goes to our College Management, Faculty Members and Staff for organising the online classes for the pupil teachers of both B.Ed. & D.El.Ed. courses.
- We have uploaded more than 600 interactive and lively videos on the **COLLEGE'S OFFICIAL YOU TUBE CHANNEL**. It is a matter of appreciation that all our trainees as well as staff members have been regularly accessing those uploads and giving feedback thereof.
- The uploaded videos are based on class specific, subject specific, unit specific and topic specific contents i.e. both theory and practical.
- On the basis of the course coverage, we are going to conduct the **INTERNAL EXAMINATION** online by accessing the link shared by the college through our respective Whatsapp groups.
- Our management is in regular support of experimenting with various updated apps and other online support mechanisms.
- Accordingly, this **INTERNAL EXAMINATION** will be online through responding the Multiple Choice Questions. The trainees have to open

the provided link and fill the details of Personal and Academic Information including their Name, Course, College Roll No., etc.

- The response requires only the selection of the right answer out of the given alternatives.
- After responding all the questions, it is mandatory to click the submit button for successful submission and completion of the process.
- Appearing this **ONLINE INTERNAL EXAMINATION (Both B.Ed. & D.El.Ed., Session: 2019-21 & 2018-20 First Year and Second Year Respectively)** is compulsory for all for being eligible for the internal assessment and allocation of marks as year marked for the internal assessment of the courses.
- Submitting the related documents/records of **PRACTICALS** offline/online is the responsibility of the candidates/trainees concerned. In case of any default or delay in this regard, the effect will be solely on the concerned trainee/pupil teacher.
- The ONLINE EXAMINATION will start from 01/09/2020 as per the courses specified in the Schedule.
- The **EXAMINATION SCHEDULE** and related **NOTICE** have been shared through our Whatsapp groups.
- We need cooperation of all for making it a success.
